

Engage, Recruit and Manage.

Feeding America food banks trust VolunteerHub to streamline volunteer management and maximize impact.

CRM INTEGRATION

Connect your volunteer and donor data for better engagement and fundraising. Works with top donor management systems.

CLOUD-BASED & MOBILE-FRIENDLY

VolunteerHub provides a seamless, optimized experience on any device—no app required. Simply log in from any browser and manage your volunteers with ease.

SELF CHECK-IN

Provide a seamless check-in experience for your volunteers with options for contactless, on-site, or virtual kiosk check-ins.

INTELLIGENT DEDUPLICATION

Our software takes the guesswork out of removing overlapping records. Simply point and click, and VolunteerHub does the thinking for you.

EVENT-SPECIFIC LANDING PAGES

Create custom-branded, opportunity-specific pages to simplify volunteer registration and create a great experience for your partners.

REWARDS & RECOGNITION

Our software allows you to add competition and incentives to your volunteer program through gamification and rewards and recognition.

Trusted by many Feeding America food banks including

"VolunteerHub has saved us time by eliminating nearly all back-and-forth communication we needed to run our volunteer program."

Jeanne Hebert, Volunteer Coordinator for Rhode Island Community Food Bank

"Our previous solution couldn't meet our program's unique needs. VolunteerHub's features have been a game-changer."

Jonathan James, Volunteer Program Manager, Atlanta Community Food Bank

"VolunteerHub is saving our organization a lot of time to focus on pushing other areas of our program forward and to new heights."
