

Engage, Recruit and Manage.

Since 1996, VolunteerHub has been trusted to track over 5 billion volunteer hours.

CRM INTEGRATION

Our volunteer management software integrates seamlessly with your donor management system via True CRM Integration.

DESKTOP + MOBILE

Take VolunteerHub with you wherever you are connected to the internet. Simply launch VolunteerHub in your devices browser for an optimized experience.

SELF CHECK-IN

Our "virtual kiosk" is a game-changer. We offer a flexible kiosk that accommodates a wide variety of check-in scenarios including contactless check-in.

INTELLIGENT DEDUPLICATION

Our software takes the guesswork out of removing overlapping records. Simply point and click, and VolunteerHub does the thinking for you.

EVENT-SPECIFIC LANDING PAGES

Simplify your volunteer registration process! Create opportunity-specific, dynamic campaign pages for every event with VolunteerHub.

REWARDS & RECOGNITION

Our software allows you to add competition and incentives to your volunteer program through gamification and rewards and recognition.

Trusted by the leading social good organizations including

“VolunteerHub has saved our organization hundreds of hours a year by streamlining our volunteer management process.”

Rob Lemons, Director of Volunteer Services, Ronald McDonald Winston-Salem

“Implementing VolunteerHub has helped our organization increase our volunteer hours by almost 10,000 per year.”

Ashlie Klopper, Director of Engagement for St. Matthew’s House

“VolunteerHub literally paid for itself after 3 months because we saw an increase in volunteer donations after implementing the software.”

JodyAnn Mcintosh, Manager of Community Engagement, MANNA
